

# Love is all

Roger Glover

Everybody's got to live together  
All the people got to understand  
So, love your neighbour like you love your brother  
Come on and join the band

And all you need is love and understanding  
Ring the bell and let the people know  
We're so happy and we're celebratin'  
Come on and let your feelings show

**Love is all, love is all,  
Love is all, can't you hear the call  
Love is all, is all you need  
Love is all , yeah yeah at the Butterfly Ball**

Instrumental

Ain't you happy that we're all together  
At the ball in nature's countryside  
And although we're wearing different faces  
Nobody wants to hide

**Love is all, love is all,  
Love is all, can't you hear the call  
Love is all, is all you need  
Love is all , yeah yeah at the Butterfly Ball**

Instrumental (rythme de valse)

All you need is love and understanding  
Ring the bell and let the people know  
We're so happy and we're celebratin'  
Come on and let your feelings show

**(3 fois) Love is all, love is all,  
Love is all, can't you hear the call  
Love is all, is all you need  
Love is all , yeah yeah at the Butterfly Ball**
